

# Rhubarb Crunch

Serves 4-6

1 cup flour  
1 cup oatmeal  
1 cup brown sugar  
1 stick unsalted butter  
2 eggs  
1 ½ cup sugar  
1 teaspoon baking powder  
pinch of salt  
¼ cup flour  
2 cups rhubarb, chopped in ¼" segments

A favorite recipe from my mom: a variation on a crisp, with all the same ingredients but composed in a slightly different way. Tastes like the essence of early summer in a northern climate. . .

Oven: 350

Cream the first 4 ingredients.

Pat into 9" square pan, and bake 15 minutes.

Mix remaining ingredients, pour on top of previous ingredients, and bake 35-40 minutes.
